

Is It Time to Fire Yourself?

Recognizing the Signs for Mid-Market CEOs

Stagnation in Innovation

- Lack of pioneering initiatives
 - New leadership can bring fresh perspectives

Lack of Passion

- Diminished enthusiasm
 - A new leader's passion can re-energize the team

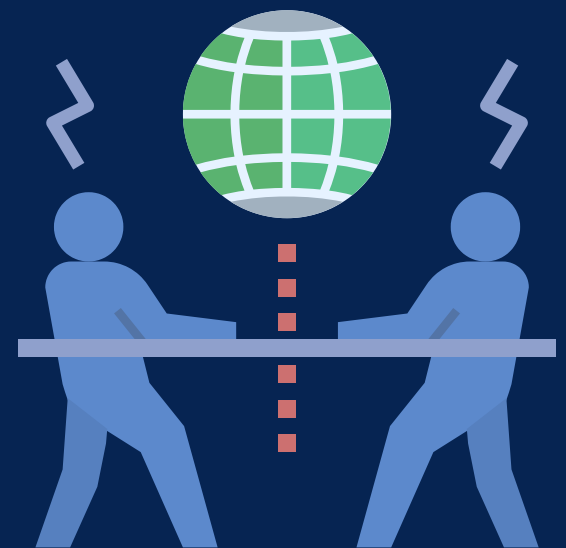

Outgrown Skillset

- Expertise suitable for startup phase, not scaling
- Leadership needs change as the company grows

CHANGE

Resistance to Change

- Reluctance to adopt new ideas or technologies
 - Adaptable leaders are crucial for progress
